VINICIUS CASCAES PRÁ

**WEB DEVELOPER | FRONT-END | BACK-END
(FULL-STACK)**

(48) 99175-3796 | vinicius.cascaesp@gmail.com | **Linkedin** | **GitHub** | **Portfolio**

SUMMARY

Junior Full-Stack Developer with hands-on experience building projects using React, Next.js, Node.js, and PostgreSQL. I enjoy turning ideas into functional applications and learning through solving technical challenges. Always focused on improving my skills and contributing to meaningful projects while growing as a developer

TECHNICAL SKILLS

Front-End: HTML5, CSS3, JavaScript, TypeScript, React, Next.js, Vite, Tailwind CSS, Styled Components
Back-End: Node.js, Express, PostgreSQL, SQLite, Prisma, Docker
Tools: Git, DevOps Basics, RESTful APIs
Soft Skills: Problem-Solving, Team Collaboration, Time Management, Agile Workflow

EDUCATION

- **Rocketseat**
    - Full-Stack Web Development Certification | Rocketseat (Online Bootcamp) | 2022–2023
    - Completed NLW Unite (React.js & DevOps) | 2024
- **High School Diploma**
    - EEB Alfredo Zimmermann | Guaramirim, SC

PROJECTS

- *PlanejaKids* | **site**
    - Developed a lesson-planning platform for early childhood educators, reducing administrative workload by implementing role-based access and secure payment integration (Mercado Pago).
    - Tech Stack: TypeScript, React, Next.js, Tailwind CSS, Prisma, PostgreSQL
- ***Additional Projects:*** Explore my ***portfolio*** for more details.
